Support Services

St. Joseph Regional Medical Center is committed to ensuring those we serve with high quality health care. This includes collaborating with our community partners to provide supportive services to help cancer patients and their families/caregivers as they cope with the effects of cancer. Through these collaborations, patients and families have the opportunity to learn more about the disease and receive support for the psychosocial needs. St. Joseph provided support through staff support and advocacy, in-kind and monetary donations, to the following groups and/or events throughout the year.

- Valley Breast Cancer Support Group
- Valley Strong Cancer Support Group
- Regional Cancer & Tobacco Prevention Coalition
- American Cancer Society Resource Center
- American Cancer Society “Real Men Wear Pink” Awareness and Fundraising Campaign – Dr. Michael Rooney
- Cancer Action Network
- Major Sponsor of the American Cancer Society Rely for Life Event
- Major Sponsor of the Pink Ribbon Luncheon
- Women’s Health Check Coordination and Advocate
- Mobile Mammography Screen Van
